

First License

First of all thank you for your purchase! It means a lot to me you value my work enough to buy it. You're currently reading the First License. With this license you can or cannot do the following:

You Can	You can't
Use the product for unlimited personal projects	Use it for more than three commercial project
Use the product for <u>THREE</u> commercial project	Use the product as part of your branding (examples: In your logo, stationary kit, first, secondary or third main website font.)
	Sublicense, resell, share, transfer, or otherwise redistribute the product on its own (even for free)
	Download the product on more than one computer

Do you need to use the product for multiple commercial projects? Or do you want to use the product in your branding? Visit [my website](#) for more license options.
